**BACKGROUND**

On May 3, 2017, the Oversight Board commenced a title III case for the Commonwealth of Puerto Rico by filing a voluntary petition for relief pursuant to section 304 (a) of PROMESA (the “Commonwealth Title III Case”). Thereafter, the Oversight Board commenced a title III case for each of COFINA, the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS Title III Case”), the Puerto Rico Highways and Transportation Authority (“HTA Title III Case”), and the Puerto Rico Electric Power Authority (“PREPA Title III Case”) (and together with the Commonwealth Title III Case, the “Title III Cases”).<sup>8</sup> By orders dated June 29, 2017 [Docket No. 537] and October 6, 2017 [Docket No. 1417], the Court approved the joint administration of the Title III Cases.

On December 21, 2018, the Debtor issues a request for Proposals for Local Counsel for the Committee. On December 26, 2018, Estrella, LLC filed a Proposal for Legal Services as Local Counsel for the Committee. On January 1, 2019, the Committee selected Estrella as local counsel to the Committee, thus retaining Estrella on that date.

On August 23, 2017, the Court entered the *Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (as amended, the “Interim Compensation Order”).

On October 6, 2017, the Court entered the *Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(a) Appointing A Fee Examiner and Related Relief* (the “Fee Examiner Order”) [Docket No. 1416]. The Court appointed Brady Williamson as the Fee Examiner in the Title III Cases.

This is Estrella’s eighth interim fee application, covering the period from February 1, 2021 through May 31, 2021. All services for which compensation is requested were performed for or on behalf of the Committee.

<sup>8</sup> Unless otherwise indicated, references to docket numbers shall be to the docket of the Commonwealth Title III Case.

**COMPENSATION AND REIMBURSEMENT REQUEST**

By this Application, Estrella seeks from the Debtors (a) compensation for professional services rendered to the Committee during the Interim Fee Period in the aggregate amount of \$194,048.00; and (b) expense reimbursements in the aggregate amount of \$1,754.01.

The Committee has approved the amounts requested by Estrella for services performed and expenses incurred in each of the monthly statements submitted to, among others, the Oversight Board, AAFAF, the Fee Examiner, and the U.S. Trustee, during the Interim Fee Period.

As of today, Estrella has not been paid any amounts for which it requests payment pursuant to this Fee Application.

By this Application, Estrella requests payment of all outstanding fees and expenses for services rendered during the Interim Fee Period.

There is no agreement or understanding between Estrella and any other person other than the attorneys, employees, and staff of Estrella, for the sharing of compensation to be received for services rendered in these cases.

Estrella maintains computerized records, in the form of monthly statements, of the time spent by all of Estrella's attorneys and paraprofessionals in connection with its representation of the Committee. The monthly statements are in the same form regularly used by Estrella to bill its clients for services rendered, and include the date that the services were rendered, a detailed, contemporaneous narrative description of the services provided, the amount of time spent for each service, and the designation of the professional who performed the service.

The fees charged by Estrella in the Title III Cases are billed in accordance with its existing billing rates and procedures in effect during the Interim Fee Period. The rates Estrella charges for the services rendered by its professionals and paraprofessionals in the Title III Cases are comparable to the rates Estrella charges for professional and paraprofessional services rendered in comparable nonbankruptcy related matters. Moreover, when Estrella's professionals and paraprofessionals work on nonbankruptcy matters, the firm generally charges their standard rate. Such fees are reasonable based on the customary compensation

charged by comparably skilled practitioners in comparable nonbankruptcy cases in the Puerto Rico legal market.

Estrella's rates are set at a level designed to fairly compensate Estrella for the work of its attorneys and paraprofessionals to cover fixed and routine overhead expense. Estrella operates in the Puerto Rico legal services market in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance and reputation, the nature of the work involved, and other factors. Accordingly, Estrella set its rates for attorneys and paraprofessionals within the firm by reference to market information and market adjustments by firms considered to be industry peers. Based on this and the reviews of contemporaneous time records and fee applications filed in other cases, Estrella endeavors to set the hourly rates for its attorneys and paraprofessionals at levels comparable to those of its principal competitor firms.

Estrella's professional services during the Interim Fee Period required an aggregate expenditure of 883.50 recorded hours by Estrella's attorneys and paraprofessionals, broken down as follows: partners (80.60), associates (791.70 hours), and paraprofessionals (11.20 hours). During the Interim Fee Period, Estrella's billing rates for attorneys rendering services in this matter ranged from \$200.00 to \$280.00 per hour. During the same Interim Fee Period, Estrella's billing rates for paraprofessionals rendering services in this matter was \$95.00 per hour.

To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Interim Fee Period but were not processed before the preparation of this Application, or Estrella has for any other reason not sought compensation or reimbursement with respect to such services or expenses, Estrella reserves the right to request additional compensation for such services, and reimbursement of such expenses, in a supplemental or future application.

During the Interim Fee Period, Estrella assisted and advised the Committee on a regular basis regarding legal matters relating to the restructuring of the Debtors, including related adversary proceedings, and all other matters arising in the performance of the Committee's duties. In addition, Estrella has prepared various motions, applications, proposed orders, and other pleadings submitted to the Court for consideration, and has performed the necessary professional services that are described below and in the monthly statements attached hereto as Exhibit F. For ease of reference and transparency purposes, Estrella created Task Codes for its representation of the Committee, as follows:

Total Hours: 6.7

During the Application Period, Estrella provided general bankruptcy advise on local matters to promote a prompt handling of the matters that were done throughout the handling of the claims and specifically, on issues pertaining the handling of government contracts during the claims period for filing the proceedings against third parties

The foregoing professional services were necessary and appropriate to the administration of the Title III Cases and were incurred upon in the best interests of the Committee, the Debtors, the creditors, and other parties in interest.

**ACTUAL AND NECESSARY DISBURSEMENTS**

As set forth in Exhibit D hereto, Estrella disbursed \$1,754.01 as expenses incurred in providing professional services during the Interim Fee Period.

Because Estrella believes that online legal research (e.g., LEXIS and WESTLAW) is far more cost-efficient than manual research using hard-bound volumes, Estrella encourages computerized legal research even though it is not a profit center for Estrella.

The constraints imposed by the circumstances of the matters handled by Estrella during the Interim Fee Period required its attorneys and other employees, at times, to devote substantial time during the evenings and on weekends to perform legal services on behalf of the Committee. These extraordinary services were essential to meet deadlines, timely respond to daily inquiries, and satisfy the Committee's needs and demands. Attorneys and other Estrella employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs in accordance with the Local Rules and firm policy. Estrella's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the provision of legal services.

Estrella believes the rates for charges incurred are the market rates that most law firms charge clients for such services. In addition, Estrella believes that such charges are in accordance with the American Bar Association's ("ABA") guidelines, as set forth in the ABA's Statement of Principles dated January 12, 1995, regarding billing for disbursements and other charges.

### **THE REQUESTED COMPENSATION SHOULD BE ALLOWED**

Section 316 provides for the compensation of professionals. Specifically, section 316 provides that a court may award a professional employed by a committee under section 1103 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." PROMESA §316(a). Section 316 of PROMESA also sets forth the criteria for the award of such compensation and reimbursement:

- (a) In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including:
  - (i) the time spent on such services;
  - (ii) the rates charged for such services;
  - (iii) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;

- (iv) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (v) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and
- (vi) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11, United States Code.

PROMESA § 316(c). Further, section 317 of PROMESA provides that “a committee . . . may apply to the court not more than once every 120 days . . . for such compensation for services rendered . . .”

In the instant case, Estrella respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary for and beneficial to the Committee, the Debtors, and their stakeholders and were rendered to protect, preserve, and maximize the value for unsecured creditors during the pendency of the Title III Cases. The services rendered to the Committee were performed in an economic, effective, and efficient manner commensurate with the complexity and importance of the issues involved. The results obtained to date have benefited not only the Committee but also the Debtors and their stakeholders. Accordingly, the compensation requested herein is reasonable considering the nature, extent, and value of such services to the Committee, the Debtors, and all parties in interest.

The work conducted was carefully assigned to appropriate professionals or paraprofessionals according to the experience and level of expertise required for each particular task. Whenever possible, Estrella sought to minimize the costs of Estrella’s services to the Committee by utilizing talented junior attorneys and paraprofessionals to handle the more routine aspects of the assignments. A small group of the same Estrella attorneys was utilized for the vast majority of the work in this case, to minimize the costs of intra-Estrella communication and education about the Title III Cases. As demonstrated by this Application, Estrella spent its time economically and without unnecessary duplication. Accordingly, approval of the compensation sought herein is warranted.

**CONCLUSION**

WHEREFORE, Estrella respectfully requests entry of an order (i) allowing interim compensation for professional services rendered during the Interim Fee Period in the amount of \$194,048.00; and expense reimbursements in the amount of \$ 1,754.01; (ii) directing the Debtors' payment of the amounts allowed and; (iii) granting Estrella such other and further relief as is just.

4 Estrella provides the following response to the request for information set forth in the U.S. Trustee Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the Interim Fee Period?

Response: No.

Question: If the fees sought in this application as compared to the fees budgeted for the Interim Fee Period are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: Does not apply, Estrella’s fees sought are and have been consistently below the budgets submitted during the Interim Fee Period.

Question: Have any of the professionals included in this application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Response: This application does not include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices

Question: Does this application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: This application does not include time or fees for reviewing time records to redact any privileged or other confidential information

Question: If the application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rates increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation consistent with ABA Formal Ethics Opinion 11-458?

Response: This application does not include any rate increase since retention.

5. I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
